

## Dr. Dawn Hamby

Dr. Hamby is an author, podcast host, and career consultant/coach whose passion is delivering top-notch workshops and seminars for today's educators. As a former-teacher, administrator and State education director, Dr. Dawn shares her over 30 + years of experience in public education, apprenticeship, teaching administration and training.

Dr. Hamby speaks around the country to high schools, community colleges, universities, career tech Institutions and apprenticeship programs. Since Dr. Dawn knows first-hand what it's like to be both the teacher and the administrator, her strategies are not just research based, but are the direct result of what has worked for her faculty, staff and students.

## KEYNOTE SPEAKING & WORKSHOPS

### MAJOR TOPICS:

- Creating an Envable School/Campus Culture
- What the Best Administrators Should Know
- Uncovering Talent, Performance & Potential
- Innovative Strategies for DEI
- Transition or Transform? Thriving in Change

All topics can be customized to meet your needs.

Excellence, in any endeavor, does not happen by accident. In today's educational institutions, where culture and organizational problems are unique, excellence must be considered an on-going quest and the focus of time, attention, and financial investment.

Dr. Dawn gives your administrators, teachers, students and staff the tools they need to tackle the challenges ahead and create new, and unexpected, opportunities that will spur career success.

## Customized Services

### Administration

Developing true leaders in your organization, along with creating an enviable organizational culture, is a massive undertaking. Any crack in your system can be devastating. Dr. Dawn will challenge you to bring your leadership team to another level, while creating a work-family environment that empowers your faculty and staff to want to bring out their best talents.

### Faculty

Becoming a top-notch instructor that brings their A-Game to any department or campus does not happen on its own. Dr. Dawn will give you the tools and strategies you need to bring your talents to the forefront, ensuring not only that your goals are met, but that you empower your students to problem solve and think creatively. As a former public school teacher, Dr. Dawn knows that teaching is not a business - it's an art.

### Staff

As a frontline worker you are the face of the department and set the tone for both the internal and external culture of the institution. Dr. Dawn will give you the tools to move forward, the inspiration to pursue more, and the secret to thriving in a fast-paced environment.
